

Cherryland Electric Cooperative

2023 Residential Rebates

Claim Your Rebates!

Please read prior to completing the residential rebate form:

- To qualify for a rebate, you must include electronic copies of all receipts and invoices with the completed form.
- This completed form must be submitted to Cherryland within 180 days of purchase or installation.
- Check with Cherryland before purchasing your equipment to ensure eligibility and availability of funds.
- Each item will be reviewed and must meet specified guidelines before qualifying for rebates.
- Once approved, rebates will appear as a credit on your next electric bill.
- Rebates over \$500 will be issued as a check within 4 weeks of submission.
- Residential and commercial project rebate cap is \$15,000 per membership.

Funds are limited and other restrictions may apply.

If you have questions, contact our energy use advisor at (231) 486-9261 or rebates@cherrylandelectric.coop.

*Rebates for lawn equipment, induction electric stoves/cooktops, residential electric vehicle charging stations, and all HVAC items are limited to one (1) rebate per measure per household.

**Complimentary refrigerator/freezer recycling is limited to two (2) per household.
